

Electronic Claims

Information in this policy does not apply to members with the Choice or Choice Plus products offered through Passport ConnectSM. For UnitedHealthcare's related policies/procedures, please go to www.UnitedHealthcareOnline.com or call 866-314-8166.

Benefits

Filing electronic claims results in fewer claim errors, more control over claim data accuracy, improved cash flow and lower operating costs. Electronic claims may be submitted directly to Harvard Pilgrim through a preferred e-channel or indirectly through an intermediary.

Preferred E-Channels

Submit HIPAA-compliant Professional (837P) claims and Institutional (837I) claims directly to Harvard Pilgrim 24 hours a day, seven days a week, using any of our preferred e-channels — *HPHConnect*, NEHENNet, NEHEN or EDI-Direct. Advantages of sending claims directly to Harvard Pilgrim include:

- Elimination of an intermediary, such as a clearinghouse.
- No transaction fees (no cost per claim).
- The highest level of customer service support and response.
- Confirmation that your claim file has been received.
- Response reports within 24-72 hours (claim acceptance/rejection, including reject reason).
- Optional Electronic Remittance Advice (electronic version of an Explanation of Payment).
- Claim status availability using the 276/277 transaction, or online in *HPHConnect* for providers or NEHEN and NEHENNet.

In addition to the preferred e-channels, Harvard Pilgrim accepts electronic claim submissions from clearinghouses, billing services, and other intermediaries.

E-Channel Connectivity

The preferred e-channel connectivity choices for claims directly to Harvard Pilgrim include:

- *HPHConnect*
 - Document Manager for batch professional or institutional claim files
 - Direct Data Entry for professional (CMS-1500) claims only
 - NEHENNet
- NEHEN
- EDI-Direct SFTP (Secure File Transfer Protocol)
- EDI-Direct CAQH CORE IV SOAP

Request Electronic Claim Submission

To initiate a request to submit electronic claims directly, contact the EDI Team at edi_team@point32health.org or call the EDI Team at 800-708-4414, option 1, option 3.

Harvard Pilgrim does not require pre-enrollment for electronic claims submitted through a clearinghouse. To identify the correct electronic payer ID be sure to view the back of member's ID card, view Harvard Pilgrim's [payer ID reference guide](#) or call the EDI Team at 800-708-4414, option 1, option 3.

Companion guides, trade partner agreement and EDI enrollment forms for electronic claims submission are available on the Electronic Tools page at www.harvardpilgrim.org/provider/resource-center/electronic-tools-and-hphconnect/.

Helpful Hints for Electronic Claims Submissions

Claim Receipt Date

The electronic claim receipt date is the date the claim is received by Harvard Pilgrim's EDI engine; it is not the date of submission; claims received after 2:00 p.m. are assigned the following business day receipt date. (Claims received after 2:00 p.m. on Friday are assigned Monday as receipt date, or Tuesday when Monday is a holiday.)

Electronic Claim Reports

Review all electronic claim reports provided by Harvard Pilgrim or the intermediary (i.e., clearinghouse).

- Response reports are returned within 24-72 hours (48-96 hours for clearinghouses).
- Explanations of Payment (EOP) reports and 835 electronic remittance advice (ERA) transactions are generated weekly.
- Call the EDI team at 800-708-4414, option 1, option 3, if more than four days elapse (10 days for clearinghouses) without receipt of a response to an electronically submitted claim (i.e., accepted/rejected).
- Each report should be saved locally until all claims have been returned on an EOP or 835 ERA.
- For documentation purposes, the minimum time to save response reports should be 90 days after the filing limit.
- Accepted claims status is available on *HPHConnect*, NEHENNet and NEHEN within seven days (10 for clearinghouses) of electronic claims receipt.

Common Reasons for Submission Failures

Errors in	Tip
Most Common Causes	
Member eligibility	Use HPHConnect, NEHENNet, NEHEN or 270/271 transactions to verify the accuracy of member information prior to submission.
Provider information	Be sure that the servicing provider National Provider Identifier (NPI) is valid and accurately entered in the appropriate fields.
Other Common Causes	
Claim submitted to incorrect payer	View the back of the member's card for correct electronic payer ID, view Harvard Pilgrim's payer ID reference guide or call the EDI Team at 800-708-4414, option 1, option 3.
Incorrect member information	<ul style="list-style-type: none"> • Special characters, such as hyphens (Smith-Jones) and apostrophes (O'Leary) are acceptable for last names. Reduce last name rejects by placing a space or hyphen between the two last names. • When entering the Harvard Pilgrim member ID number, do not use dashes or spaces. • For numbers with an "HP0" prefix, use the numeric zero (0), not the letter O (e.g., HP0123456, not HPO123456). • Be careful to distinguish between an ID beginning with "HPS"(HPS123456) and "HP" followed by the number 5 (HP5123456).

Errors in	Tip
Most Common Causes	
Invalid provider of service number or servicing provider field is blank	Often due to a change in a provider's practice or tax ID affiliation. <ul style="list-style-type: none"> Always notify the Harvard Pilgrim Provider Processing Center, EDI Team, and the clearinghouse when changes in the provider's practice affiliation and/or tax ID numbers occur.
Procedure codes, diagnosis codes, modifiers	<ul style="list-style-type: none"> Submit claims with industry-standard coding. Do not use any special characters in the diagnosis codes (e.g., commas, hyphens, or decimal points). Code all diagnosis codes to the highest level of specificity.
Naming convention	Ensure proper naming convention before submitting the claim file (the Harvard Pilgrim Companion Guide can help with this).

Provider Identifiers

Providers are required to submit their National Provider Identifier (NPI) in electronic transactions; this includes claims submitted electronically. Harvard Pilgrim expects to receive a provider's NPI as the primary identifier in all claims except for atypical providers. Atypical providers are not eligible for NPIs and should continue to submit their legacy provider IDs.

Please see the Harvard Pilgrim Companion Guides for specific information on loops, segments and elements used in reporting the provider NPI.

Special Considerations for Group and Individual Providers

	Group Provider		Individual Provider	
Description	You have historically submitted claims to Harvard Pilgrim using a single NPI for all providers within a group. Examples include: <ul style="list-style-type: none"> Physical, Occupational or Speech therapy Some ER, anesthesia, radiology or pathology groups Independent lab Ancillary facility (e.g., Home Care, DME, ART, Early Intervention) 		You have historically used a different NPI number for each physician in the practice to bill for their rendering provider services. This individual provider ID is also used by Primary Care Physicians as their referring provider ID. Group Provider	Individual Provider	
	<p>EDI Claim: As a group contract entity, you may choose to submit provider information at the 2010AA loop only. In this instance, the provider information in loop 2010AA will be used to adjudicate the claim. A valid TIN must be included in 2010AA Billing Provider loop.</p>	<p>EDI Claim: The provider information at the service line Rendering provider loop (2420A) can overwrite the provider information in the claim level Rendering provider (2310B) and Billing Provider (2010AA) loops. Similarly, if rendering provider information is supplied only in 2310B, this information will overwrite provider information in 2010AA. A valid TIN must be included in Billing Provider loop.</p>

Failure to submit in accordance with these instructions may result in claim(s) rejection(s).

Rejected Claim Assistance

If your claim was rejected and you are not sure why, or you do not know how to correct it, the EDI Team can help you determine the corrective action. Contact the EDI Team as soon as possible to ensure that the claim is resubmitted before the filing limit expires.

EDI Team

Harvard Pilgrim’s EDI Team is responsible for all phases of testing and implementation for new electronic claims submitters. In addition, the EDI Team also supports existing electronic claims submitters.
