

Anesthesia Surgical Procedure Code List

Anesthesiologists are eligible for compensation for the following CPT procedure codes at the network contracted rate. These procedure codes are accepted by Tufts Health Plan. The absence and/or presence of a CPT procedure code is not an indication and/or guarantee of coverage and/or payment.

Note: Refer to the [Spinal Conditions Management Program Prior Authorization Code Matrix](#) for a list of interventional pain management codes subject to prior authorization through National Imaging Associates (NIA).

AUDIT AND DISCLAIMER INFORMATION

This document provides information on Tufts Health Plan claims adjudication processing guidelines. As every claim is unique, the use of this policy is neither a guarantee of payment nor a final prediction of how specific claim(s) will be adjudicated. Claims payment is subject to member eligibility and benefits on the date of service, coordination of benefits, referral/authorization and utilization management guidelines when applicable, adherence to plan policies and procedures and claims editing logic. For more information about Tufts Health Plan's [audit policies](#), refer to our website.

The information contained in this document does not apply to Tufts Medicare Preferred HMO, Tufts Health Plan Senior Care Options, Tufts Health Public Plans or Private Health Care Systems (PHCS) network also known as Multiplan members. This information applies to CareLinkSM for providers in the Massachusetts and Rhode Island service areas. Providers in the New Hampshire service area are subject to Cigna's provider agreements with respect to CareLink members.
